O R D E R

IT IS ORDERED that Green River Electric Corporation ("GREC") shall file the original and eight copies of the following information with the Commission with a copy to all parties of record within 14 days from the date of this Order. If the information cannot be provided by this date, GREC should submit a motion for an extension of time stating the reason a delay is necessary and include a date by which the information will be furnished. Such motion will be considered by the Commission.

1. Provide a copy of GREC's REA loan application. Omit the Borrower's Environmental Report and any portion which has already been filed with the Commission.

2. Provide a voltage drop study which compares the present and proposed system.

3. Section I-C provides a summary of the Proposed 1994-1995 Construction and Costs. Provide a price list which shows the unit prices for all materials. Do not include labor or other overheads.

4. Section II-A, Page 2, Item 9 indicates that GREC's system cost at the time of the study will be used in its economic conductor sizing software. Are the costs used the same as the ones identified in Section IV-E, Project Historical Cost? If not, provide a copy of the costs used in the analysis.

Done at Frankfort, Kentucky, this 6th day of October, 1993.
